CAP is a community based, private, non-profit organization serving Lake, Lincoln, Sanders, and Flathead Counties. CAP provides services that help promote self-sufficiency for low-income individuals and families. CAP targets hard to serve individuals by focusing on networking available resources and providing services such as job skills training, supportive services, job development, energy assistance, rental assistance, weatherization and first time homeowner and home rehab loans. All aspects of a client's life are addressed, including housing, budgeting, medical, job training and education, which will eventually lead to independence.

### **Department of Academic Success Salish Kootenai College**

PO Box 70  
58138 US Hwy 93  
Pablo, MT 59855  
(406) 275-4800 or (406) 275-4792

The SKC Department of Academic Success' (DAS) mission is to help students and community members achieve academic success, progress toward the attainment of their career goals, and master some of the critical skills needed to be successful in school, work, and life. By employing a comprehensive, holistic, research-based approach, the DAS helps students improve their core academic skills, persist in their course of study, and achieve degrees and credentials.

The DAS coordinates various programs and services to help fulfill this mission, including Adult Basic & Literacy Education, High School Equivalency Test (HSET) Preparation, Developmental Studies Coordination (for

students starting college without college-level academic skills), the Academic Improvement Curriculum (for student on financial aid and/or academic suspension), Lifelong Learning (CEU Program), Academic Advising, and Placement (TABE) Testing.

The TABE measures each student's skills in reading, English, and mathematics. Incoming SKC students are placed in the correct courses based on these scores. In some cases, prospective SKC students may also need to take an Advanced Placement assessment in English or math to determine correct course placement. Numerous other community partners also refer participants for TABE assessments. The TABE is administered every Monday @ 11:30 am and every Wednesday @ 9:00 am in the Academic Success Building, Room 110. The assessment lasts about 3 hours.

**The five (5) major components of Head Start are Education, Health, Nutrition, Parent Involvement, and Social Services.**

**EDUCATION:** Head Start's educational program is designed to meet each child's individual needs. It also aims to meet the needs of the community it serves and the community's cultural characteristics. Every child receives a variety of learning experiences to foster intellectual, physical, social and emotional growth.

**HEALTH:** At Head Start we emphasize the importance of early identification and treatment of health problems. Through the cooperative efforts of parents, staff, and health providers, each child receives the following: 1) Physical Examination - including immunization update and hematocrit or hemoglobin. 2) Vision Screening 3) Hearing Screening 4) Dental Examination 5) Nutrition Services. In addition, each child is weighed and measured three times during the school year. Mental health services are also available to children. Referrals for further evaluation and/or treatment of health problems are made as needed, and follow-up services are provided.

**NUTRITION:** Head Start children are served either breakfast and lunch or lunch and a snack depending on class schedule. Teacher Cooks prepare nutritious meals regulated by the United States Department of Agriculture Child and Adult Care Food Program. Nutrition safety and hygiene are main concerns for a healthy happy classroom.

**PARENT INVOLVEMENT:** Parents are the most important influence on a child's development and are an essential part of the Head Start program. Parents may also be involved in decision making, planning and

program operations. Parents participate in many activities throughout the Head Start year. They volunteer in the classroom, and are also involved in social occasions, projects, meetings and educational classes.
